**IS NOW REGISTERING NEW MEMBERS FOR THE NEXT SEASON**

## **JOIN THE LOCAL FOOD RENAISSANCE**

Do you favour small-scale farming methods over intensive farming and value high animal welfare and excellent quality food?

Then join Chagfarm, a newly established Community Interest Company that aims to provide local people with affordable raw goats' milk, cheese and yoghurt, as well as goat meat, free range pork, woodland poultry and honey on a weekly and monthly basis.

Registration forms are available at the Courtyard Café in Chagford or check it out for yourself by coming to one of our Farm Open Days on every third Sunday of the month.

*For more information about Chagfarm or to become a member, please call Davon and Sylvan Friend on **0777 561 7563**, email on [membership@chagfarm.org](mailto:membership@chagfarm.org) or visit [www.chagfarm.org](http://www.chagfarm.org).*
